

# SUSTAINABILITY DECLARATION

**Item number**  
MO2402

**Item description**  
Drawstring bag in recycled pre-consumer cotton (70 %) and RPET (30%) 140 gr/m².

## Material content

| Part | Component description | Position    | Material                                                     | Weight Percentage |
|------|-----------------------|-------------|--------------------------------------------------------------|-------------------|
| 1    | Drawstring bag body   | Body of bag | 70% Cotton<br>30% Recycled Polyethylene Terephthalate (RPET) | 80,00%            |
| 2    | Cords                 | Side of bag | Cotton                                                       | 20,00%            |
|      |                       |             | <b>Total</b>                                                 | <b>100,00%</b>    |

\*midocean uses the original chemical names registered in the [ECHA](#) (European Chemicals Agency) database in our Bill of Materials. Additional information on the material can be found in the description

## Cotton sourced & processed

|                       |       |
|-----------------------|-------|
| Country of origin     | India |
| Country of processing | India |

#### Recycled material

|                              |                                         |                             |

|------------------------------|-----------------------------------------|-----------------------------|

|                           |                                         |                             |
|---------------------------|-----------------------------------------|-----------------------------|
| Recyclability of material | <input checked="" type="checkbox"/> Yes | <input type="checkbox"/> No |
|---------------------------|-----------------------------------------|-----------------------------|

#### Renewable source

|                                                                     |                                                                     |                                                                     |
|---------------------------------------------------------------------|---------------------------------------------------------------------|---------------------------------------------------------------------|
| Recycled material                                                   | Natural material                                                    | Reused waste material                                               |
| <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No | <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No | <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No |

#### End of life suggestion

#### Trademarks of material

Made from recycled plastics/fabrics/paper, produced under a quality-controlled origin of raw material process.

#### Fulfilled technical standard

This item is compliant with the European legislation and regulations applicable to this item. A Declaration of Conformity (DOC) certificate and all relevant test reports are easily downloadable at our web shop.

#### Quality certifications/ social audits factory

#### Packaging and Transport

| Piece | Inner Carton | Carton | mo box | Polybag | Packaging                                           |
|-------|--------------|--------|--------|---------|-----------------------------------------------------|
| 1     | -            | 20     | -      | -       | Paper layer in between, cardboard on top and bottom |

We have dedicated partnerships with our carriers. Who have shown their commitments to reduce GHG emissions and have ambitious targets concerning carbon-neutral deliveries and climate-neutral logistics solutions.
