

## EU Declaration of Conformity (DOC)

|                    |                             |
|--------------------|-----------------------------|
| Company name:      | Mid Ocean (Brands) BV (MOB) |
| Postal address:    | PO BOX 644                  |
| Postcode and City: | 6710 BP Ede (NL)            |
| Telephone number:  | 0031 (0)342 426992          |
| E-mail address:    | DOC@reclamond.com           |

**We declare that DOC issued under our sole responsibility and belongs to the following product:**

|                    |                        |
|--------------------|------------------------|
| Item number:       | MO2666                 |
| Description:       | 3W/5W Wireless speaker |
| Classification:    | Wireless 5.0 DC 5V     |
| Country of Origin: | China                  |
| Batch:             | PO41-116189            |

**Object of the declaration** (identification of apparatus allowing traceability; it may include a colour image of sufficient clarity where necessary for the identification of the apparatus):

**The object of the declaration described above is in conformity with the relevant Union harmonization legislation: RED Directive 2014/53/EU**

|                                                         |
|---------------------------------------------------------|
| EMC Directive 2014/30/EU                                |
| Low Voltage Directive 2014/35/EU                        |
| RoHS Directive 2011/65/EU                               |
| General Product Safety Regulation (EU) 2023/988         |
| Batteries and waste batteries regulation (EU) 2023/1542 |

**The following harmonized standards and technical specifications have been applied:**

|                                                                                                                                                                      |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Title, date of standard/specification:                                                                                                                               |
| Radio: EN 300 328 V2.2.2 (2019-07)                                                                                                                                   |
| EMC: EN 301 489-1 V2.2.3 (2019-11), EN 301 489-17 V3.2.4 (2020-09), EN 55032:2015+A11:2020+A1:2020, EN 55035:2017+A11:2020                                           |
| RoHS: IEC 62321-2:2021, IEC 62321-3-1:2013, IEC 62321-4:2013+AMD1:2017, IEC 62321-5:2013, IEC 62321-7-1:2015, IEC 62321-7-2:2017, IEC 62321-6:2015, IEC 62321-8:2017 |
| Safety: EN 62368-1:2020+A11:2020                                                                                                                                     |
| Health: EN 62479:2010, EN 50663:2017                                                                                                                                 |
